Bible Studies: ***"In the beginning God created..." Genesis—foundations of a creation theology***

As a response to the challenge of Christianity restoring its creation based roots, with guidance from Basil Rebera, we hope to make a very small beginning with two studies on the foundational texts, in the Bible itself: the Creation Stories in Genesis 1:1-2 - 2:4a and Genesis 2:4b - 3:24. They will be studied in two sessions offered Sunday mornings (30 Oct & 6 Nov) and Thursday mornings (3 & 10 Nov).

10.00 am Sunday 30 October: ***The Gifts of the Furies***

A citizens' chorus of Canberra men and women will bring the mythic scale of the climate change crisis as an act of worship.
